

Impact the Nation '09 UK Conference

1020 Vision
10 years of prayer and action

Theme: Teamwork for prayer & action

Our theme this year is teamwork, highlighting the fact that we can only achieve the BIG goals in life when we work together. I am pleased to announce this year that we are launching The 1020 Vision, ten years of prayer and outreach between 2010 and 2020. Starting in January this vision will link together our efforts for the Kingdom within the UK and display tangible results from our efforts whilst always working with the emphasis of engaging and encouraging prayer and outreach in and through the local church. So fasten your seat belts, it's time for a big push.

There will be 27 great Seminars to choose from covering the following topics all related to prayer and action with plenty of time to pray.
